

FORBES 30 UNDER 30: ART & STYLE

Edited by Susan Adams, Keren Blankfeld, Michael Solomon and Glenda Toma

Rachel Rossin

Artist

Age	29
Residence	New York, NY
Education	Bachelor of Arts / Science, Florida State University

Rossin is both a painter and virtual reality artist. In one piece, she explored what is lost in translation between physical and virtual spaces, scanning bits of her paintings and photos she took in her studio and apartment, and using them to make short videos experienced through an Oculus Rift headset in a gallery hung with her work. She's shown in solo exhibitions in New York, and in museums in Basel, Riga, Istanbul and Helsinki. She's also a fellow at New Inc., a cultural incubator founded by the New Museum in New York.
